

## Complaints & Compliments Policy:

The aim of this policy is to make parents and carers fully aware of what to do if they have a complaint or compliment and what steps management will take to ensure that a complaint is managed.

We believe children and their families are entitled to expect courtesy and prompt, careful attention to their needs and wishes. Our intention is to work in partnership with parents and the community generally and we welcome suggestions on how to improve our services.

### Comments

We welcome comments from parents about our setting and recognise that parents are the prime educators of their child and that comments whether negative or positive about our setting are made with the child's interests at heart.

Positive comments are a good way for parents to let settings know their work is valued and appreciated and give everyone concerned the chance to build on good practice which promotes children's development. Parents are encouraged to praise where appropriate.

### Procedures

Many concerns can be resolved quickly by an informal approach to the Manager. However if this approach does not achieve the desired result the following procedures should be used.

### How to Complain

For a parent who is unhappy about any aspect of the nursery's provision concerns should first be raised with either the key person or room leader. At this stage the following information will be recorded:

- The nature of the complaint including date and time
- Action taken initially
- The subsequent action

Everyone involved with the discussion and outcome of a complaint will be expected to treat information as confidential and will not discuss the situation with anyone else.

If the issue remains unresolved or parents feel they have received an unsatisfactory outcome then they must present their concerns in writing as a formal complaint to the nursery manager. The manager will then investigate the complaint and report back to the parent within 28 days. The manager will document the complaint fully and the actions taken in relation to it in the complaints folder.

If the problem is still not resolved to the parent's satisfaction the parent/carer should again contact the manager. A formal meeting will be arranged and the nursery will make a record of the meeting and document any actions. All parties present at the meeting will be asked to review the accuracy of the record, sign to agree it and will receive a copy.

If the nursery feels necessary an external mediator may be appointed, who is agreeable to both parties, to listen to both sides and offer advice. A mediator has no legal powers but can help to define the problem, review the action that has already been taken and suggest further ways in which the issue might be resolved. The mediator will keep all discussions confidential. They will keep an agreed written record of any meetings that are held and any advice which may be given. The involvement of the mediator represents the final stage in the complaints procedure.
